POLICY FOR 2017-18

The Board of Health would like to take this opportunity to thank those thoughtful citizens that comply with the Transfer station rules.

1. Random vehicle sticker checks will take place throughout the year. All vehicle numbers and sticker numbers must match.
2. Do not curse, insult, disparage or physically assault the Transfer Station operators. They are following the rules and doing the best they can.

VIOLATORS MAY HAVE THEIR TRANSFER STATION STICKER REVOKED ON THE SPOT.

If your Transfer Station sticker is revoked because YOU broke the rules, you will have to purchase a new one from the Town at the regular rate of \$85.00 plus the late charge of \$25.00

Also:

1. No one without a sticker should attempt to use the dump.
2. Individual bulk items will be charged a small fee. Lists are posted at the Transfer Station. A copy may be obtained at the Station or by requesting one from the board.
3. **As always, trash bags should be clear (see-through).** This rule will be strictly enforced.

I will flatten then recycle all my paper & cardboard. I will recycle all my glass, cans & food grade plastic. I will do these things not only because it's required but because it is the right thing to do. I may face a fine if I am found to have disregarded these rules too many times. The dumpsters at the Station are for consumer quantities of debris (1 cubic yard or less) and not for entire demolition jobs. If anyone intends to raze a structure or perform large remodeling projects, they should arrange for their own roll off dumpster.

By signing this form I agree to follow the Transfer Station rules set forth above.
