

PETITION FOR SOLELY OWNED POLE AND WIRE LOCATIONS

By the Select Board of Blandford, Massachusetts

NSTAR ELECTRIC COMPANY DBA EVERSOURCE requests permission to relocate and/or install poles, wires, cables and fixtures, including the necessary sustaining and protecting fixtures along and across the following public way:

Location – North Blandford Road, Blandford.

Install two (2) solely owned midspan poles (P#31/52M and P#31/52M1) to be located on the southerly side of North Blandford Road. The poles are to be located three hundred ninety-seven (397) feet and four hundred fourteen (414) feet apart, respectively, from the intersection with George Mallard Road. The poles will be eighteen (18) feet from each other.

Reason – Poles are required for the installation of a three phase regulator platform and associated equipment.

Wherefore it prays that after due notice and hearing as provided by law, let it be granted a location for and permission to construct and maintain a pole, wires and cables, together with such sustaining and protecting fixtures as they may find necessary, said pole to be erected substantially in accordance with the plan filed herewith and made a part hereof marked **6B920012REVSOLE**.

Also for permission to lay and maintain underground laterals, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as it may desire for distributing purposes.

Your petitioners agree to reserve space for one crossarm at a suitable point on each of said poles for the fire and police telephone signal wires belonging to the municipality and used by it exclusively for municipal purposes.
