The signs of rabies vary in animals; the behavior of an animal is NOT a reliable indicator of whether or not it has rabies. Some of the more common signs include: Unexplained aggression, impaired locomotion, varying degrees of paralysis, hyper salivation and extreme depression.

REMINDER: All dogs in the Town of Blandford are to be under the control of their owner at all times and not running free. Failure to comply can result in fines, injury to your dog from persons and cars, and in extreme cases, removal of the dog from your ownership.
