 - i. Southwick-They have had a change in directors. They have requested that our shared nurse is to take hours in a fourth town. Chris feels that we don't have enough people to warrant programs outside of the COA. She is unable to attend our meetings. Prefers not to do blood pressure clinics in the later afternoon. It was expressed that we would like to capture all groups and would like to get those on their way home from work. If we do not start somewhere there will never be a program. J.Girard is meeting with Chris on 2.10.2023 to discuss time and hours for Blandford, putting together a Dementia Friendly community program.
 1. Nurse Updates-Attended COA lunch; Offered Blood Pressure clinic; did a wellness board for the boh; Facilitated workshop at library; starting a sign up for food clinic for COA;

- f. 12 Sunset Rock Road-submitted septic plans to owner on 1.6.2023
- g. George Reiker:
 - i. Asked for an update on the Beavers; he was referred to conservation or select board as it is not beaver season for us.
 - ii. Asked for an update on the homes on Main Street; letters have gone out. One house has been cleaning up and therefore we are not going to pursue at this time. The second house we need to discuss what and how to charge for fines. We can not charge the renters only the homeowners. George was told that we would not make a decision on this at this meeting and that we would put back on the agenda the next meeting.
- h. Next meeting falls on Monday February 20th which is a holiday. The board discussed and decided to move to the following Monday February 27th and then felt we should hold a meeting on our third week and felt February 22nd at 4:00 pm would be best.
