- c. 61 Chester Road fails perc test
- d. 98 Main Street passes inspection
- e. 250 Otis Stage Road passes perc test
- f. Hunting Road – complaint came in on home with the safety and health of the occupant. B. Hartley and J. Girard went for inspection and occupant refused to let us in and the occupant stated he is fine. With the advisement of council, we are not allowed on premises only road side.
- g. VN stated she could not issue a vaccine clinic which the BOH felt this coming. VN has been unable to participate in our requests. We feel there is little to no interest.
- h. There are 3 air bed and breakfast in town that have not gone through a board of health inspection. Town Administrator was to send out a letter informing these businesses that they have been given a copy of certificate for business but this does not approve them to operate. That there are state and local procedures that need to be followed. To date the BOH has not heard back from town administrator or the owners of the abb's.
